The cover shows a vase filled with 11 tulips. The vase is one of the world famous Dutch Delft vases, representing ICEVI's origins in the Netherlands in 1952. On the vase is the ICEVI logo. The individual tulips show the flags of the countries in which conferences have been held and the diversity which has been brought to each of the conferences by holding them in many different countries.

Back Cover – ICEVI Voices: The comments on the tulips were sent to the author from ICEVI members during the course of his research. They are a few of the “Voices of ICEVI!”
